

Scope: 270-device fleet · 4-month season · 8 regattas · 32 tracking days. Two tiers: **ops / tracking only** (fleet + platform + data) vs + **virtual livestream** (2D race viewer / on-air graphics — no on-site cameras). CrewSight season quote is **ops / tracking** at \$46,500 — vMix / AHD overlay feeds **supported**, regatta production not included. Optional CrewSight **virtual livestream** add-on: \$750/regatta day × 32 days = \$24,000. GeoRacing virtual livestream per Fan Experience / 2D Race Viewer package: €48,000 season add-on (~\$87,360 NZD). On-site cameras **not included** by either vendor. GeoRacing ops tier indicative in EUR → NZD @ 1.82.

Season cost summary — 270 devices (ex GST)

Solution	Ops / tracking only	+ Virtual livestream	Notes
CrewSight	\$46,500 \$53,475 incl	\$70,500 \$81,075 incl	Ops / tracking in base quote. Livestream overlay feeds supported. Virtual livestream: +\$750/day × 32 days. No on-site cameras.
IQnexus LoRaWAN	\$67,000	\$67,000	No livestream path — tracking portal only
GeoRacing (indicative)	\$112,585 €61,860	\$199,945 +€48,000 virtual	Virtual livestream add-on (2D viewer / GFX) — not on-site cameras; €48,000 season (GeoRacing package)

Per device (ops tier): CrewSight \$172 · LoRa \$248 · GeoRacing \$417 (€229)

CrewSight virtual livestream add-on: \$750 × 32 regatta days = \$24,000 ex GST. GeoRacing virtual livestream: €48,000 season add-on (~\$87,360 NZD @ 1.82).

GeoRacing indicative estimate — EUR → NZD

GeoRacing device/platform in EUR. Virtual livestream per Fan Experience / 2D Race Viewer package: €48,000 season add-on (not on-site cameras). Conversion: 1 EUR = 1.82 NZD.

Tier	Includes	EUR (ops)	NZD total
Ops / tracking only	270× tracker rental + LTE · 2D race viewer · 4-mo platform	€61,860	\$112,585
+ Virtual livestream	Above + virtual 2D livestream / on-air graphics (€48,000 season add-on) — no on-site cameras	€109,860	\$199,945

GeoRacing & CrewSight — virtual livestream line item

Item	CrewSight (NZD)	GeoRacing (NZD)
Fleet / platform (ops / tracking)	\$46,500	\$112,585
Virtual livestream	\$24,000 32 days × \$750	\$87,360 €48,000
Total with virtual livestream	\$70,500	\$199,945

Ops / tracking vs virtual livestream

Capability	CrewSight (ops)	CrewSight (+ virtual)	LoRaWAN	GeoRacing (ops)	GeoRacing (+ virtual)
Season cost (NZD)	\$46,500	\$70,500	\$67,000	\$112,585	\$199,945
Tracking data for livestream	Supported — vMix / AHD feeds	Supported — vMix / AHD feeds	Not available	2D viewer	Included
Virtual livestream (2D / GFX)	Optional add-on	\$750/regatta day	—	Optional add-on	€48,000 season
On-site cameras	Not included		—	Not included	
Capsize / hull alert	Yes — rowing-tuned		Generic motion	Emergency button	
Rowing dashboard	Karāpiro · RowIT · ops monitor		Generic IoT	Custom per event	
Boat mounting	Optional \$50/boat		Not offered	Not offered	
Device ownership	KRI owns handsets		KRI owns	Rental / turnkey	
Handset field test (Jun 2026)	M26: 3.3 m GPS · ~32 h @ 1 Hz		Not quoted	Rental hardware	

M26 field validation (14 Jun 2026)

Field test 14 Jun 2026: 11:30–11:45 NZST drive (~10 km) at ~1 Hz. M26 median GPS accuracy **3.3 m** (p90 5.2 m) vs S21 reference 5.2 m; fix continuity 1 s max gap on M26. Track agreement median 4.2 m.

Battery 14 Jun 2026: 96% @ 06:45 NZ → 76% after 6.5 h (~3.1 %/h at 1 Hz GPS + background recording; ~32 h from full charge). An 8-hour active day at 1 Hz uses ~25% — no mid-day charge required.

Ops / tracking (CrewSight \$46,500): GPS fleet, platform, and data — vMix / AHD overlay feeds supported for livestream (regatta production quoted separately). **Virtual livestream** optional — CrewSight at \$750/regatta day (32 days = \$24,000); GeoRacing €48,000 season add-on per Fan Experience package. 2D race viewer / on-air graphics; **no on-site cameras**.

CrewSight strengths

- **Capsize alert · Custom rowing dashboard · Designed for NZ regatta programme**
- **Livestream supported** — vMix / AHD overlay feeds in ops tier · optional **virtual livestream** at \$750/regatta day
- **Rowing boat mounting** optional; competitors do not supply shell mounting

Summary

Ops / tracking: CrewSight \$46,500 vs LoRa \$67,000 vs GeoRacing ~\$112,585. + **Virtual livestream:** CrewSight \$70,500 (+\$24,000 at \$750/day) vs GeoRacing ~\$199,945 (+€48,000 / ~\$87,360 NZD). Neither vendor includes on-site cameras in the virtual livestream tier. CrewSight owns fleet CAPEX; GeoRacing is rental-based.

Optional CrewSight mounting (270 boats): +\$13,500 ex GST. LoRa gateway WAN backhaul not itemised. GeoRacing estimate replaces firm € quote when received — update constants in generate-crewsight-comparison-pdf.mjs.
